MEMORANDUM FOR: Richard M. Bissell, Jr.

Dick:

Bob Macy advises me that he, accompanied by Milton Iossi, is leaving on 13 June 1961 for a trip to Latin America. His stated purpose is to review for Mr. Bell certain economic aid and political stability problems in several Latin American countries. He will not be looking into CIA matters. However, he requests having some briefings by our WH people prior to his departure and being permitted to talk with our Chiefs of Station if the opportunity permits. He will go to [REDACTED]

Milton Iossi was formerly one of Bob's assistants on our budget, and while I would recommend that he not be permitted to see our Chiefs of Station I can see no objection to his participating with Bob in whatever briefings he has prior to departure. If you have no objection I will ask Ed Saunders to make appropriate arrangements with the WH Division.
